## 4 Arabella Lane, Snells Beach

Kick back, switch off and soak up the rich tapestry of native bush, green rolling hills and glistening ocean which surrounds this architecturally designed home. This spacious, well-appointed home spread over 2 levels, has five bedrooms, a modern kitchen (with stone surfaces), and fully tiled bathrooms with under floor heating. Designed with families in mind, the open-plan living area offers plenty of versatility and space to spread out while enjoying the spectacular views over Kawau Bay and Brick Bay. Other highlights include neutral decor, a separate laundry and excellent flow to the outdoors.

The 2760m<sup>2</sup> section ensures there's amp.....
